

EQUAL OPPORTUNITIES MONITORING FORM

The REP is committed to making its Equal Opportunities Policy fully effective. In particular the Theatre aims to ensure that no-one receives less favourable treatment on the grounds of race, colour, nationality, ethnic or national origin, sex, culture, disability, marital status, sexuality, age, responsibility for dependants, religion or trade union activity.

Monitoring is part of this process and will help us to identify areas of under-representation and to assess those areas where positive action is needed.

Your co-operation in completing this form is greatly appreciated. We stress that any information you give will be kept separate from your application and treated as strictly confidential. You are not obliged to answer any of the questions.
